WILL THERE ALWAYS BE A VEHICLE AVAILABLE FOR ME?

Booking by phone will ensure that a suitable vehicle is available, but we will always try to help you if you just call in.

At the Shopmobility unit you will be met by one of our staff or a volunteer who will complete a simple registration form with you. On your first visit, please bring some identification.

HOW MUCH WILL IT COST?

After registering with us and being assessed and trained, members are able to hire out the equipment for £1.00 per hour.

Bristol Shopmobility is a registered charity and as such, help from volunteers and any donations are always welcome.

OUR VEHICLES

Our mobility scooters come in three or four wheeled versions and in different sizes so we can find the most suitable one for practically anyone. We have a range of powered and manual wheelchairs too, so whether you're with a carer or on your own and in need of a little extra help; we can find something to suit your needs.

Daily or Long Term Hire of Scooters and Wheelchairs

Training in the use of the vehicle will be provided and when you are confident, the City is yours!

LONG-TERM HIRE

There is the opportunity to hire a vehicle for a few days under our long-term scheme. Further information for this service is available by calling the unit.
